## Preparing for Next Week

In preparation for next week's study on "The Final Word on The Worship" read through the following questions:

### Revelation 4 & 5

Describe the typical view people have of heaven.

What do you think the voice was referring to when he said, "come UP here" in verse one?

Verses 2-11 describes the throne in heaven, describe it in your own words.

Who is in the middle of the throne?

What do you think the purpose of the throne is?

Who do you think the twenty four elders may be?

What is the meaning of the song in verse 8?

Why do you think they said the words in verse eleven after they laid down their crowns?

Read chapter 5 in its entirety before you work through these questions.

What do you think the significance of the scroll may be?

What was the elder communicating to John in verse five?

Describe what a slain lamb may look like. (verse 6)

What do you think the seven horns and seven eyes may represent on the lamb?

Breakdown the song in verses 9-10 and describe the points it brings out about Christ.

How has this short glimpse changed your view of heaven?

What else were the creatures singing about in verses 10-14?

How does this worship service differ from your experience in the church?

How is this similar to your experiences in worship?

What elements could we include to honor God today?
